Theoretical

## Requirements:

You must read and acknowledge that you've completed the requirements before proceeding. Submissions may be returned to authors that do not adhere to these guidelines.

### Manuscript requirements

The manuscript is completely in English

The submission file is in OpenOffice, Microsoft Word, or RTF document file format

All illustrations, figures, and tables are placed within the text at the appropriate points, rather than at the end. Please use the template which can be downloaded here:  
[https://wiki.oroboros.at/index.php/File:MitoFitPreprints\\_and\\_BEC\\_manuscript\\_template.docx](https://wiki.oroboros.at/index.php/File:MitoFitPreprints_and_BEC_manuscript_template.docx)

The submission adheres to [SI units](#), [IUPAC](#) and [MitoEAGLE](#) recommendations on terms and symbols

Institutional addresses are listed for all coauthors, as well as an e-mail address for the corresponding author

The experimental work has been performed in accordance with the ethical standards for research particularly when using humans or animals. Mandatory ethics approvals are fully reported

**Please also complete the questionnaire on the next page**

Manuscripts submitted to [MitoFit Preprint Archives](#) have to be accompanied by this submission form.

Send your submission form to: [luiza.cardoso@oroboros.at](mailto:luiza.cardoso@oroboros.at)

- Where available, URLs for the references have been provided
- Author contributions are explained in a separate section
- Any conflicts of interest have been declared
- Where possible, raw data has been deposited in a stable and recognised open repository under a CC0 license and the DOI(s) and/or accession number(s) are included in the specific section of the manuscript. Alternatively, it is stated that raw data is available on request, or an explanation of why this is not possible is included

Select one of the following options or write a statement:

- Original files are available Open Access at (NAME) repository: (LINK or accession number)
- Original files will be available Open Access (in preparation)
- Raw data used for this manuscript is available upon reasonable request to the corresponding author
- Original files are not provided by the authors
- Original files cannot be made available Open Access due to ethical reasons

Possible generalist repositories are listed below. These repositories have their own policies and may be subject to file size limits and/or fees.

- [Zenodo](#)
- [Open Science Framework](#)
- [Figshare](#)
- [Code Ocean](#)
- [BioStudies](#)

## Submission requirements

- The manuscript has not been previously published. If it is currently submitted to a journal, it is the responsibility of the authors to check if the journal agrees with the manuscript being submitted as a preprint
- The corresponding author has received written consent from all authors, who agree to take responsibility for the content of the preprint
- The corresponding author has received written consent by all persons mentioned in the acknowledgments

E-mail addresses for all coauthors are listed below:
